Please write your abstract in Times New Roman 12 pt, one column with bottom, top and side margins of 2,5 cm (as in this form) and do not change the format of the title, authors and affiliation lines. The abstract length should not exceed 2 pages. Abstracts will be produced in black and white only. Therefore, figures in black and white may be included, but bear in mind that the reproduction quality might not be excellent. For figure captions and references [1] we would kindly ask you to use the formats given below. **Send the abstract in to [wgeppert@fysik.su.se](mailto:wgeppert@fysik.su.se) on May 15<sup>th</sup> 2025 at the latest.**
